

Errors reported in the English Edition

## PROJECT ATHENA

- setup example: the “orange corner” card in the example are the base game ones. Must be replaced with some Period I card of the expansion (blue corner)
- rulebook page 3 -> on the setup table to compose the exploration deck, all the “2” on the column marked with “III” must be fixed with “2”

PLAYERS	I	II	III
	4	4	3
	6	6	3
	9	9	3

- player board -> the previous error is reported on the board on the relative table on the right -> all the “3” on column “III” must be changed with “2”
- Cyborg card -> Exploration Phase -> is wrong -> must be fixed with -> FIRE WEAPONS PHASE

## MUTANT SET

All the 6 Loot card have not the metal label with the Loot Icon -> we must add this plate and this icon like other loot cards:
