

# Leviathan's Defeat

## Scenario

After months of searching, you've finally found the mysterious island. You need to locate the fragments of the Summoning Stone and defeat the legendary beast before the hurricane hits the island.

## Setup Changes

Place tile #6 as shown. Place **6** on the tile. Place a marker on the terrain symbol, the terrain is unexplored. This is the location of Temple of Gods, where the final battle will be. Select a difficulty level: **EASY**, **NORMAL**, or **HARD**. **X** = number of characters (1, 2, 3, or 4).

## Goal of Scenario

Find the 3 Temples (**3**, **4**, **5**).  
Move camp to Temple of Gods (**6**).  
Build Summoning Stone.  
All characters fight Leviathan.  
Survive to win.
